## HEAVY - GAUGE SIDEARM LOCKERS

# LOCKERS

All gun lockers are not created equally. When you require a secure weapons locker, look no further than Tiffin Metal Products. We have been fabricating quality metal products for over 100 years and have both the experience and knowledge to handle law enforcement requests. You will find the Sentinel Sidearm Locker and Sentinel Pistol Locker specified in new construction more than any other brand. Let us put years of experience to work for you, by calling us today.
