XPRESS Delivers!

Where else can you get the Quality, Performance and Value that *XPRESS Times-2 Speed Files®* can deliver? And deliver, they do! *XPRESS Times-2 Speed Files ship in either 2 or 5 business days!*

Times-2™ provides versatile, dual-sided filing in a locking cabinet that rotates. Available in heights from 3-Tier to 8-Tier and letter and legal sizes, Times-2 accommodates a variety of accessories and drawers for storing mixed media.

SAVE SPACE

Three 8-Tier Times-2 Speed Files require 17 sq. ft. (1152 lineal filing inches).

Seven 5-drawer single bank lateral roll-out files require 63 sq. ft. (1190 lineal filing inches).

What will you do with all that extra space?

TIMES-2 SPEED FILES

DIMENSIONS

MULTIMEDIA

Times-2 Speed Files have a place for everything. To name a few:

- End-Tab File Folders
- Top-Tab File Folders
- Binders
- Print-Outs
- Valuables
- Fiche
- Film
- Cards
- Checks
- Hanging Folders
- CD-ROMs
- Reels
- Cassettes
- Software

FLEXIBILITY

Times-2 units can be built into an alcove, used as a room divider, configured back-to-back for maximum capacity or arranged with panel systems of any height. Times-2 can even be positioned through a wall or panel, and closed backs can be applied for high security areas.
