

**Innovative Design in Storage Solutions**

You design it, we create it.

## Innovative Design in Storage Solutions

Aurora products for the modern office environment provide highly adaptive filing and storage solutions that grow with any business. From executive suites, to open offices, to central records management, if you can design it, we can create it.

## Wood-Tek™

Elegant shelving and cabinetry combine the warmth of wood with the strength of steel.

- Classic and contemporary styling
- Rich stains and beautiful woods
- Accessories: tables, cabinets, study carrels, or custom-designs to suit your imagination

Architect: Wayne Camas, CAMAS ASSOCIATES Dealer: Patterson Business Systems

## Times-2 Speed Files®

The versatile alternative to lateral storage.

- Double your storage in limited environments
- Divide space, and improve access
- Multimedia friendly
- Ten heights, Legal or Letter Size

## Aurora Mobile

The intelligent choice in high density storage.

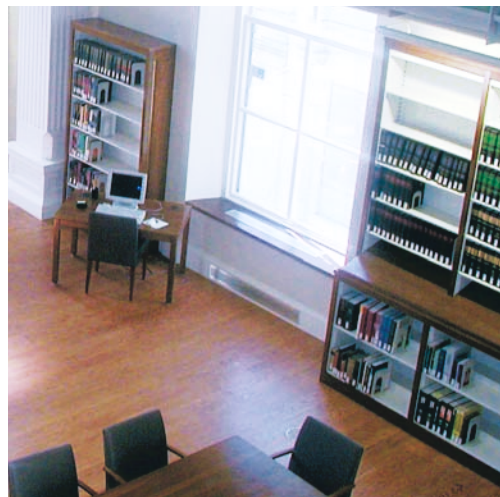

- Custom designed to fit your space plan
- Intelligent mobile with advanced electronics
  - Plug-and-play operation
  - Highest level of safety and security
- Manual assist and low profile models
- Accessories for multimedia storage

## Aurora Quik-Lok® Shelving

Quality, versatility, and beauty.

- Hundreds of configurations
- Incremental widths, depths, lengths
- Library and X-ray Shelving
- Locking doors, drawers, and accessory options

## Design Options

Choose design elements to match your décor.

## Color

Specify Gloss-Tek™ powder coat finish in unlimited beautiful colors with metallic options.

## Where Design Meets Science: A Healthier Future

A special new product finish incorporates antimicrobial properties.

## Fabrics and Laminates

Cover end panels and door panels with fabrics or laminates.

## Overlays

Customize Aurora Mobile or Times-2 with special overlays in textures or translucent colors.

## Environmentally Friendly

Aurora products are manufactured with respect for the environment. Our Gloss-Tek powder coating is document and artifact friendly and 100% non-emissive. No volatile organic byproducts are released in the manufacturing process and no hazardous waste is generated.
